Mr. Ronald W. Daniels,
Coordinator of Mined Land Reclamation
Division of Oil, Gas and Mining
Department of Natural Resources
1588 West North Temple
Salt Lake City, Utah 84116

Dear Mr. Daniels,

This letter constitutes our notification of intent to initiate and conduct a small scale open pit mine in San Juan County, Utah for extracting uranium ores. Because of the small surface area involved (0.65 acres) it is felt that this operation is exempt from the Utah Mined Land Reclamation Act.

The operation will be located in SW 1/4 Section 36, T 30 S, R 25 E SLM, San Juan County, Utah and will be operated by Minerals Recovery Corporation. It is expected that work on this project will start about September 1, 1976.

Your acknowledgement of this intent would be appreciated.

Sincerely yours,

Eric Newman
